Will the legislation have a major impact on existing City appropriations, fiscal liability or revenues? Yes X No \_\_\_\_\_

If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion.

If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible. (Continue on second sheet if necessary) Development as proposed will result in more property value and population based revenues than the present single-family zoning would generate, and the private drives proposed will result in lower service costs than typical single-family development.
